The figure shines like a
flower on a spring day.
Even if you fade and
winter come in the world.
But my heart is
eternally in love
with you.
Love will always
be green and
strong in my heart.

輝く春の日の花と

堀内敬三／アイルランド民謡

La la la, spring came from
the hills to the town with

from that flower
vendor.
Her pretty eyes
have dreams
of spring in them.
